KYRO CONTENT USAGE RIGHTS

Brand Acknowledgment and Acceptance

Version 1.0 | October 27, 2026
Operated by Kyvo LLC

DOCUMENT PURPOSE

This document explains the content usage rights granted to Brands through KYRO. It is intended to be accepted once per Brand, alongside the KYRO Terms of Service.

This document supplements the Terms of Service. It does not replace, amend, or expand them. The Terms of Service remain the governing document.

1. PURPOSE AND RELATIONSHIP TO THE TERMS

When you approve a creator's video in KYRO, the licence to use that video is governed by the KYRO Terms of Service (the "Terms"). This document explains the key limits of that licence and records your acceptance of those limits.

This document supplements the Terms and does not replace, amend, or expand them. If this document and the Terms are unclear or inconsistent, the Terms govern. Capitalized terms not defined here have the meanings given in the Terms.

2. THE CREATOR OWNS THE VIDEO

The creator retains ownership of their video. Neither Kyvo LLC nor the Brand receives ownership of the video under the licence. The Brand receives only the permission to use the video described in the Terms and summarized below.

3. WHERE YOU MAY USE APPROVED VIDEOS

Approved videos may be used only as paid advertising within the Brand's connected Meta ad account, subject to the Terms.

The licence does not permit use:

- In another advertising account.
- On the Brand's website or in email marketing.
- On marketplaces.
- In retail or out-of-home advertising.
- As organic social content on any account, including the Brand's own accounts.

Any use outside the permitted scope requires separate authorization as applicable under the Terms.

4. HOW LONG THE LICENCE LASTS

The licence lasts for the campaign term plus 30 days, unless extended in writing as permitted by the Terms.

5. PERMITTED EDITS

The Brand may crop, trim, caption, or format an approved video to fit an advertising placement.

The Brand may not create other derivative works or remove or alter any required disclosure.

6. PAYMENT AND AUTOMATIC TERMINATION

Creator commission becomes payable in accordance with the Terms. Under the Terms, commission is due 30 days after an order reaches "Available."

If an amount covered by the Terms is overdue, the licence in every approved video covered by it automatically terminates without notice. Use after termination is unlicensed use of the creator's copyrighted work.

If the overdue amount is paid, the licence is reinstated from the date of payment only. It does not authorize use during the period between termination and payment.

The Brand remains responsible for complying with the payment, suspension, termination, and other applicable provisions of the Terms.

7. NO TRANSFER; BROADER RIGHTS REQUIRE SEPARATE AGREEMENT

The licence is non-exclusive and personal to the Brand. It may not be assigned, including to an agency, without written consent as provided in the Terms.

Organic reposting, use in other paid channels or advertising accounts, use beyond the licence term, exclusivity, and other uses outside the stated scope require a separate licence or written agreement, as applicable.

Contact KYRO to discuss expanded usage rights.

8. COPIES AND END OF LICENCE

The Brand may keep only the copies needed to run the video within the permitted scope.

When the licence ends, the Brand must stop using the video and delete copies as required by the Terms.

9. BRAND ACCEPTANCE AND SIGNATURE

By signing below, the representative confirms that they are authorized to act for the Brand, have read and understood this Content Usage Rights document and the KYRO Terms of Service, and accept them on behalf of the Brand.

This acceptance applies to the Brand's use of creator content through KYRO, subject to the Terms and any applicable campaign launch confirmation.
